PERILOUS JOBS DESERVE
MORE *than a* THANK YOU.

This foundation provides support in extraordinary circumstances to those who stand in defence of Canada in more arduous conditions than most can imagine.

This foundation serves active and retired members of our Canadian Special Operations Forces (CANSOF) and their families.

THE SERVICE WE PROVIDE:

Those who serve in CANSOF subject themselves and their families to stresses and situations only those who experience them can understand and appreciate. Unpredictable deployments, extremely volatile environments and classified operations all contribute to the need for unique support mechanisms beyond those already provided.

By responding to the personal struggles and crises of CANSOF members rapidly and thoughtfully, The V-42 Foundation helps create peace of mind for those who so selflessly serve to create that very same peace for our nation and all who live here. Our foundation shares the same motivation as the people we support. We help good prevail.

The V-42 Foundation was established to honour the promise CANSOF members make to one another: I will not fail you. When one of ours falls or falters, neither they nor their families will be abandoned. We help, however we are able, with maximum effort and without reservation.

If you are interested in learning more about our organization, providing financial support, or in need of our services, do not hesitate to contact us by phone at 1-800-866-0692 or email at prevail@V-42foundation.com
